Which service do you feel you require?

*Warranty return / Chargeable repair

Description of the problem with your Multimat®:

* On completion of our inspection we will confirm if the return is a warranty or chargeable repair before proceeding with any work on your behalf.

Please include your cheque for £20/€30, which will be returned should work be covered by the warranty.

Please complete & cut out the following returns address label and apply it securely to the outside of your package.
